Alignment • Accountability • Results

HOW MUCH IS A COMPANY-WIDE, PERVASIVE, FOCUS ON RESULTS WORTH TO YOUR COMPANY?

The One Page Planning & Performance System focuses everyone involved on the issue of results. Each person has to describe the results he/she is expected to produce, and every month has to enter an actual number, so accountability for results is ever-present.

AS THE LEADER OF YOUR BUSINESS ARE YOU CREATING AN EXECUTION CULTURE? IS EXECUTION A TACTIC OR IS IT BUILT INTO THE STRATEGIES, OBJECTIVES, THE PLANNING SYSTEM OF YOUR COMPANY?

The One Page Planning System involves all critical personnel in the planning process, aligns all strategies, objectives, and action plans with the company plan, mandates accountability and communications, and develops the execution culture needed for success.

WHAT'S IT WORTH TO YOU AND YOUR COMPANY TO HAVE THE WHOLE MANAGEMENT TEAM WORKING OFF THE SAME PAGE?

With The One Page Business Plan everyone has his own plan and knows what he/she is responsible for and how the results fit with what everyone else is doing.

WHAT'S IT WORTH TO YOUR COMPANY TO BE ABLE TO BE ON TOP OF THE IMPLEMENTATION OF PLANS ON A WEEKLY AND MONTHLY BASIS?

Typically, every week or two each person enters a short progress report on their action plans and a scorecard that gives the metrics used to measure his or her objectives.

HOW VALUABLE WOULD FULL COMMUNICATION AMONG YOUR MANAGERS AND EXECUTIVES AND PERHAPS TO YOUR STAFF BE TO YOUR COMPANY?

With The One Page Business Plan there is complete communications among the leaders of the company about what each of them is doing. They not only understand each-other's responsibilities, they can click the mouse and read anyone's plan instantly if they ever forget.
